Our Complaints Procedure

We will always try and resolve your concerns as quickly as possible, although if this is not possible we will send you a written acknowledgement within five business days. This will set out our understanding of the issues you have raised and will contain the name and contact details of the person dealing with the complaint.

We aim to resolve most complaints within 15 working days although if we have not been able to do this, we will contact you regularly to keep you informed of progress.

As soon as we have established all the facts and completed our investigation, we will provide you with a final response, no later than within 35 working days, which will set our findings and explain our final position. Our final response will also include, if applicable, details of your right to contact your local governmental office, should you remain dissatisfied with our investigation or the outcome of your complaint.

If you are generally dissatisfied with the proposed solution or with our complaint management, you have the opportunity to file a complaint with the Bankenschlichtung (www.bankenschlichtung.at).
